

Olympia Moving and Storage has teamed up with Move For Hunger to support The Ark. Our movers offer to pick up the unwanted, non-perishable food items from those who are moving and deliver it to their local food banks.

Move for Hunger is a 501(c)3 non-profit organization that works with relocation companies to collect non-perishable food items, and deliver it to food banks all across North America.

What They Do:

As you may be aware, many people throw out a good deal of “stuff” when they move. Unfortunately, a lot of this “stuff” is food that could be delivered to a family in need rather than thrown away.

By teaming up with relocation companies across the country, Move For Hunger is creating one of the nation’s largest year-round service programs.

What We Do:

Olympia will collect all unwanted, non-perishable food items on your move day. All boxes of food that we collect will be donate to The Ark which is a local, Chicago-based, nonprofit organization that aims to help in more ways than one! On average, The Ark provides food to 550 families each month.
